AMENDMENT TO COMMITTEE PRINT

OFFERED BY MR. MARKEY

(National Institutes of Health Reform Act of 2006)

Page 31, line 12, insert after “for the preceding fiscal year” the following: “as increased by the most recent BRDPI percentage”.

Page 31, line 19, add the following: “For purposes of the preceding sentence, the BRDPI percentage is the Biomedical Research and Development Price Index issued by the Bureau of Economic Analysis, Department of Commerce, under an interagency agreement with the National Institutes of Health, and the most recent BRDPI percent is the one for the most recent fiscal year for which data is available.”
